DECISION AND ENTRY OVERRULING AS MOOT DEFENDANT'S  
REQUEST FOR AN ORDER TO COMPEL MEDICAL ASSISTANCE (DOC.  
#102)

---

Defendant has sought an order of the Court compelling the Federal Bureau of Prisons to render him adequate medical attention (Doc. #102). Said Motion is OVERRULED as moot.

This Court has made contact with Defendant's Case Manager and a member of the medical office at Defendant's designated institution, FCI Oakdale II, following which he received a call from Mr. Jason Sickler, legal counsel for the Bureau of Prisons.

Mr. Sickler related that Mr. Mayorga-Gonzalez had not, as of December 10, 2021, made any medical complaints/requests at the facility nor was the facility personnel aware of the motion that this Court is addressing herein. Apparently, Mr. Mayorga-Gonzalez had made two purchases of over-the-counter pain medication from the commissary. On December 14, 2021, members of the medical staff at the Institution saw Mr. Mayorga-Gonzalez and reported the following.

a. Nothing of significance was discovered during and after the December 14<sup>th</sup> meeting with the medical staff;

- b. X-rays did show some fragments in his eyes;
- c. A CT scan will be performed but there is nothing that is currently emergent;
- d. Mr. Mayorga-Gonzalez' eyes were dilated and nothing was discovered; and
- e. Mr. Mayorga-Gonzalez will be scheduled to see an optometrist.

In short, Defendant has received what appears to be a full medical examination, thus, in this Court's opinion, moots Mr. Mayorga-Gonzalez' motion of June 21, 2021 (Doc. #102).
